Dear Chapter Treasurers,

September 2011

I hope you had a wonderful summer and were able to stay cool. Well, it is that time again for us to collect state and national dues. You should have received the "Treasurer's packet" from national. I have also prepared a yellow folder for you with all of the same forms. Please do not forget about the new bank account form.

For every form that you will send to National, you need to **make two copies; send one to me and keep the other for your files.** This also means the member printout.

At the April 2011 National Assembly, the National Dues increased to **\$25**. The *first dues payment* for new approved members are as follows:

1. Members admitted by the National Society during **January, April or June** shall be liable for the payment of annual national dues **prior to December 1**.
2. Members admitted during **October** shall be liable for the payment of annual national dues **prior to December 1** of the **following calendar year**.

The **Texas State Dues** are due by **November 1st**. Also, please do not forget to send in the **\$2.00** State Supplemental Fee when your chapter member's supplemental is approved. Below is a State Fee Schedule:
