Chapter Regents and State Chairmen,

Again, this year, the Texas State Society is not requiring reports during our Fall Workshop in Salado. I think the new format is great and is very informative.

However, do not forget that reports will be required to be given at our upcoming Texas State Assembly which will be at the Crowne Plaza Hotel in Arlington, Texas in February. I hope to receive reports from each and every one of you, so that our Texas State Society minutes will be a valuable and historical record of the work of our wonderful State Society. Reports from each and every regent and committee chairman are most important so that everyone will know of the work you are all doing!

Please feel free to email me your reports prior to the State Assembly if you have email, or you may also mail a copy to me, if no one from your chapter or committee will be attending State Assembly.

I look forward to hearing from each and every chapter and committee chairman and reading of all your activities and accomplishments.

Lisa L. Kight

Texas State Recording Secretary
